

**Doodoo Voodoo works** — even on areas where you've previously used other products that failed. If you've been disappointed by disinfectants, bacteria- or enzyme-based products, home remedies, cover-ups or even professional carpet cleaners' attempts, you'll really love Doodoo Voodoo. Its largely "green" ingredients start a process that consumes the sources of organic odors, leaving behind nothing but a temporary hint of a fresh, citrus scent.

Doodoo Voodoo is a proprietary mixture of primarily natural and biodegradable\* domestic and imported ingredients. We painstakingly blend them to an exacting formula that customers say yields vastly superior results compared to other products they've tried. Users report that Doodoo Voodoo's ingredients are well tolerated by people & pets, and that Doodoo Voodoo has even removed 8-year-old stains that multiple professional cleanings failed to get out.

- Highly effective at deterring pets from resoiling.
- Can often salvage "trashed" carpet & pad or upholstered furniture you might otherwise have to replace.
- Great on hardwood floors, tile, shoes, carpet, countertops, clothing, car interiors, spilled milk, upholstery & more!
- Can be sprayed directly on cat litter to extend its life between changes. Great for deodorizing litter boxes.

Doodoo Voodoo is sold in two forms: **RTU** (ready-to-use, pre-blended) and **Concentrate** (to which you add your own warm tap water). Concentrate saves you money in the long run and each quart of Concentrate makes enough RTU to fill the sprayer bottle up to 64 times (depending on dilution ratio). Doodoo Voodoo is so affordable that it **costs up to 98.6% less** than inferior competing products. Be sure to read our unedited customer testimonials!

Doodoo Voodoo is in daily use at vet clinics and animal-care facilities, successfully eradicating odors that even bleach and veterinary-use-only chemicals fail to remove. **Try Doodoo Voodoo today. You'll absolutely love it — like so many others have for years!**

**NOTE:** Up to the limit allowed by federal tax laws, proceeds from the sale of Doodoo Voodoo are used in the fight against pet overpopulation and to help improve needy animals' lives, so you're getting a superior product and supporting a very worthy cause at the same time. Thank you for helping us help needy animals.

As with any behavioral change in your pet, inappropriate elimination should always be evaluated by your veterinarian to rule out a medical cause. Regardless the cause, Doodoo Voodoo can help!

# Earth-Friendly Pet Odor & Stain Remover

# DOODOO VOODOO

It's Science, But It Works Like Magic!

### • Doodoo Voodoo Is Extremely Easy To Use

No blotting, vacuuming, covering with moist towels or injecting with hypodermic needles. Spray it, Leave it, Love It!™

### • Really Versatile. It's Not Just For Carpet!

Use it in your washer instead of laundry detergent. Deodorize your car. Clean your hardwood floors, countertops, garbage cans & lots more. Use it with your carpet cleaning machine.

### • No Harsh Chemical Smell Like Other Brands

Customers love our slight, natural-citrus scent. No industrial-strength chemical smell or overpowering perfume fragrance. As a vet tech reported to us, "It just does its job, then it's gone!"

### • Tons Of Benefits Versus "Enzymes" & Even Works Where Other Products Have Already Failed

One of Doodoo Voodoo's biggest advantages over other brands is that it will still work great on a stain or odor even if you've already applied other products or home remedies to the area. Plus, it goes to work immediately, unlike other products that can take days to start working. Lasts on the shelf for years. Our repeat customers say that **NOTHING** beats Doodoo Voodoo's features or value!

#### Product Advantages

Ready-To-Use  Concentrate  Qt.  Gal.

**Directions:** Shake bottle before using. It may be helpful to locate soiled areas with a Doodoo Voodoo Blacklight, so check out the models we offer. Be sure to scan the walls, too, including where pets may have stood on furniture and soiled.

• **RTU Doodoo Voodoo:** Apply directly from the bottle by pouring, spraying or, on hard, water-safe surfaces, wiping with a clean, soft towel dampened with Doodoo Voodoo. On hard surfaces you can let Doodoo Voodoo air dry or let it dwell 5-10 min., then wipe it up (especially on hardwood floors).

• **Doodoo Voodoo Concentrate:** Pour ½ to 2 ounces of Concentrate into the empty spray bottle, then slowly fill the spray bottle with warm water. To minimize foaming, tip the bottle to the side as you add the water or add the water *first*. It's better to treat a spot twice with a weaker blend than once with a stronger blend, so start with ½ ounce per quart and strengthen your mixture for subsequent treatments if necessary.

Completely wet the area where the odor originates, ensuring that Doodoo Voodoo contacts ALL the offending waste. Urine in carpet spreads out under the surface of the carpet in the pad and subfloor, so treat an area larger than the spot you see on the surface. Tamp down with your foot to help spread the Doodoo Voodoo. Allow at least 48 hours *or more* of drying time to maximize odor neutralization; complete drying can take a lot longer than you might think. Don't make a decision to re-treat too soon. Let the area dry fully first!

If odor remains after treatment, Doodoo Voodoo did not come in contact with all the waste or hasn't fully dried. Either re-treat and moisten a larger area or first allow more drying time.

For additional tips, testimonials, case studies, FAQs and more, visit [www.DoodooVoodoo.com](http://www.DoodooVoodoo.com). Thanks for being our customer!

\*Contains natural & man-made ingredients. Keep out of reach of children, follow typical safe-use procedures & use common sense. Test on an inconspicuous area for colorfastness. Keep pets away from treated areas until dry. Use adequate ventilation; avoid contact with skin (rinse well); do not ingest (seek immediate medical attention); rinse eyes with fresh water for 15 min. if contact occurs; seek immediate medical attention if symptoms develop or persist. Store in a cool, dark place. User determines suitability for any particular purpose. Not liable for incidental or consequential damages. Purchaser's sole remedy shall be replacement of product or refund of purchase price, less shipping.
