

# Omnisept®

## Severe Organic Contamination Remover

This bottle contains 8oz. of **Omnisept** Booster. Do not use this product by itself; it will be ineffective. It is only to be used in conjunction with **Omnisept** hydrogen peroxide Concentrate, which is contained in the gallon jug (in a quantity of 120oz. to allow room for the addition of this Booster). **DO NOT** re-cap & leave the combined contents in a sealed container; an explosion will occur due to the production of oxygen. Add this entire bottle of Booster to the gallon jug, then stir gently to blend. If using less than a gallon at a time, add 2oz. of Booster to every 30oz. of Concentrate. **DO NOT** leave blended product unattended or in a sealed container. You **MUST** be actively dispensing the blended material from your sprayer or spray bottle. The blended mixture remains usable over up to 8 hours, but with reducing efficacy, so use promptly after blending. **Do not re-cap for later use.**

**CAUTION:** Keep out of reach of children & pets, follow typical safe-use procedures and use common sense. May be harmful or fatal if swallowed. Do not get in eyes, on skin or on clothing. Wear safety goggles & rubber gloves when handling this product. Avoid breathing vapors or mist. Use with adequate ventilation. Test first on an inconspicuous area for colorfastness. Keep pets away from treated areas until dry. **EYES:** Rinse eyes with water for 15 min. and seek medical attention if irritation persists. **INGESTION:** Give 1 or 2 glasses of water and get prompt medical attention. Do not induce vomiting. User determines suitability for any particular purpose. Not liable for incidental or consequential damages. Purchaser's sole remedy shall be replacement of product or refund of purchase price, less shipping. © Copyright 2004-2015. All rights reserved.
